The wireframe shows a page layout for 'CAD Details'. At the top left is a logo placeholder (1). To its right is a main navigation bar (2) with links: Home | Product Catalog | **CAD Details** | Resource Library | Support. Below the logo is a breadcrumb (3) with links: Home | CAD Details. A large box (4) contains the page title 'CAD Details'. To the right of this box is a description (5): 'Select a Installation Category or TTMAC number to find matching architectural CAD drawings and specifications.' Below the title box are two search filters (6 and 7). Filter 6 is 'Installation Category' with a dropdown arrow and a 'GO' button. Filter 7 is 'TTMAC Number' with a dropdown arrow and a 'GO' button. A large 'DRAFT' watermark is centered on the page. At the bottom is a footer (8) with links: Home | Product Catalog | CAD Details | Resource Library | MSDS | Privacy Policy | Support | Contact Us, followed by 'Copyright © 2010'.
